

## SuPerfect EOFY22 Offer – Farmer Comms

SuPerfect®

**LOCK  
IT IN  
NOW**

**PRE-PAY AND SECURE YOUR  
SUPPLY AND PRICE FOR 2023**

Global fertiliser supply' has faced unprecedented disruption and price volatility this year, including single superphosphate.

To minimize the impact on your ongoing pasture management we're giving you the opportunity to lock in your early 2023 supply at fixed price for SuPerfect®, Australia's leading source of P for pastures.

Available from our Geelong and Portland distribution centres, order from participating dealers now and you can:

Lock in your supply – order SuPerfect as a straight or with Trace elements added before 24 June and take delivery in Jan or Feb 2023

Lock in a fixed price: when you prepay in full by 29 June 2022.<sup>2</sup>

Lock in potential tax benefits – with a June 2022 tax invoice<sup>3</sup>

**LOCK IT IN NOW**

Talk to your IPF Dealer now about locking in certainty of supply and price for you superphosphate needs on 2023.

## **Terms and Conditions**

<sup>1</sup>SuPerfect manufactured in Geelong makes up majority IPF SSP sales nationally. SSP supply at other sites may be partly or wholly supplemented by other Australian manufactured SSP or imported SSP.

<sup>2</sup> Terms and conditions of any offer made by participating Dealers to their farmer customers remains a matter between the two parties, including but not limited to the price and payment terms offered and any counterparty risk between the two parties. IPF does not accept any risk in connection with any pre-payment made to a Dealer.

<sup>3</sup> IPF makes no representation as to tax deductibility of any prepayments made by Dealers' farmer-customers to Dealers. Certain conditions apply, and IPF Dealers and their customers should seek their own independent advice.
